SCOUTS ON ICE 2012

Come join the fun again this year at The Rink at Lehigh Valley for Scouts on Ice 2012. Our unique sessions, dedicated to Girls Scouts, Cub Scouts & Boy Scouts, have had a remarkable turn out every season. Our professional staff will teach you the basics and a few spins and turns along the way. Each session includes a 30 minute group instruction, skate rentals and a 1 hour skate following the lesson. Family members are also welcomed to skate after the lesson for the same price. Payments for family members will be accepted at the Rink office upon arrival.

Please complete the registration form below and mail with full payment to The Rink at Lehigh Valley. Call the Rink office at 610-434-6899 or email lhvrink@yahoo.com with any questions. Don't delay, space is limited!
